

Certificate

OSRAM product and Inventronics product training

The partner

is awarded to

FREMO

(15th July 2023, in English)

The successful completion is hereby acknowledged.

Purpose of the training was to train the participants in using the following systems in lighting projects:

**OSRAM DALI PRO
OSRAM HUBSENSE
OSRAM DALI ECO BT**

This certificate acknowledges the ability to effectively use and commission above products – in Lighting Projects.

Munich, 15th July 2023
